St Michael's Nursery and Infant School

LA Cumbria DFE 9092143 Produced November 2017 Version 1

What it is

Seven easy-to-use reports which help governors and school leaders to evaluate school performance using the latest 2017 DFE school performance indicators.

What it tells you

- What are the strengths and areas for improvement in your school?
- How does attainment and pupil progress compare to the national average?
- How are you performing in different subjects?
- Do you have any under-performing groups of pupils?
- How might the context of your school affect performance?
- How does pupil attendance compare to the national average?

About the data shown

1 2 3

Actual results

Actual results for your school, using a range of measures such as averages and thresholds.

Gauges

These display headline indicators and whether actual results and pupils' progress are in line with, or significantly above or below, the national average.

ESTIMATED

1 2 3

Pupil progress

The value added progress that your pupils have made from one key stage to the next. FFT compares your actual results to the estimated results based on the progress of similar pupils nationally.

Statistical significance

Green plus signs and red minus signs highlight where either actual results or pupils' progress is significantly above or below the national average.

Trends

The dashboard analyses school performance over 3-5 years. Any significant year-on-year improvement is highlighted using an up arrow. Significant declines in performance are highlighted with a down arrow.

Strengths & weaknesses

These highlight key pupil groups and subjects where progress is above or below the national average.

Working in partnership with

Data sources

Generated from FFT Aspire which includes data sourced from the DfE (National Pupil Database) and data calculated by FFT. FFT is accredited as a DfE supplier to receive early access to ASP data. Headline performance indicators will be consistent with the DfE School Performance Tables and ASP.

Using FFT Aspire dashboards

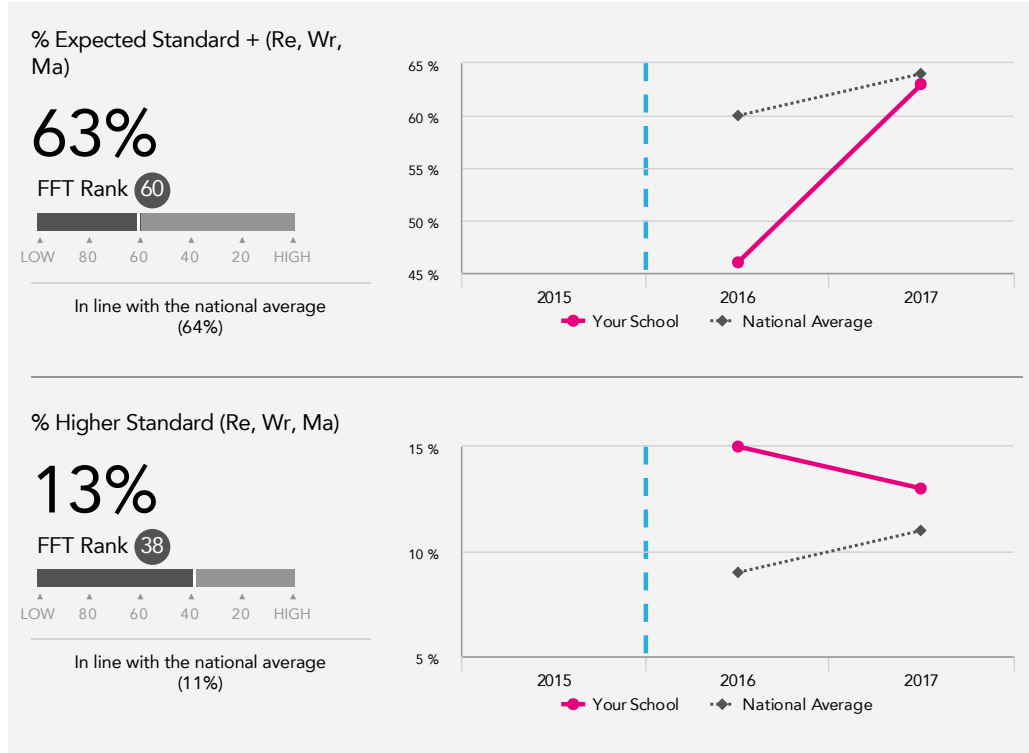

The dashboard provides an overview of performance in your school based on your actual results (**attainment**) and the value added pupil progress that pupils have made from one key stage to the next (**progress**).

The dashboard also provides a simple comparison of school performance against national averages. For value added progress measures, this comparison is based on the average progress made by similar pupils across the country. By 'similar pupils' we mean pupils with similar prior attainment, gender and month of birth.
