

Nursery & Reception - Autumn 2 half term

Bonfire Night & Remembrance Day

During the first couple of weeks it is Bonfire night and Remembrance Day. We will be having listening to the story of Guy Fawkes and painting firework pictures. We will also be doing some firework maths involving recognising numbers from 1 – 10 and 1 - 20 and adding the correct amount of stars to each rocket.

For Remembrance Day we will talk to the children about the importance of this day and how we mark it by wearing poppies. Both classes will make different types of poppies and will come together with Key Stage One in the hall for a 2 minute silence on the 11th November at 11 o'clock

Children in Need

Friday 13th November is Children in Need day. Please can you return your tubes to school this week. We will be having a non-uniform day and decorating cakes with spots for snack time. We will also be colouring pictures and playing Pudsey games. Thank you for your support in helping us to raise money for Children in Need.

Toys topic

This half term our new topic is toys. We will have a toy shop in our role play areas and will be painting pictures of our favourite toys. Over the next few weeks we will be making some simple toys, playing with battery powered toys and doing lots of shape and number work.

Parent's Meetings

We will be holding parent's meetings this half term. Due to the pandemic, these 'meetings' will be carried out over the phone. Details to follow.

Christmas

Christmas is always a very exciting time in school with lots of craft activities singing and parties. Unfortunately, this year will, again be very different as we will be unable to perform our usual Nativity plays. We will all be working hard to make sure the children still enjoy this special time in the school year.
