

MATHS

Year 1 will continue to work on the school syllabus for Year 1.

Year 2 will continue to follow the school syllabus which will include work on fractions and time.

SMSC & BRITISH VALUES

We will be looking at some current topics and also how to recognise spring in the British Isles

LITERACY

We will use the Katie Morag stories to build our literacy skills and for a variety of purposes including comparisons, character descriptions and Katie Morag story

Phonics and Reading will continue and the children will complete reading comprehension activities in class and also as homework tasks alongside weekly spellings.

Children will continue to learn Common Exception Words for their year group.

GEOGRAPHY

This half term, our Geography Project is called 'Island Homes'

We will explore and compare the Island of Struay and other islands where Katie Morag lives with her family.

KS1 CLASS NEWSLETTER

SPRING 2 2019

*The Tales of
Katie Morag*

P.E.

Coach David will deliver one session a week on Athletics development. They will also be working with dance teacher Miss Rachel to rehearse for U-Dance and Kinda cricket with Coach Chris.

D&T & ART

We will be taking part in the annual art competition held at St. Michael's Church. This will be the focus of our art work this half term.

SCIENCE

Year 1 & Year 2

Both classes will learn how to plan and carry out a scientific investigation

RELIGIOUS EDUCATION

Our half term will end with a multicultural week to celebrate Easter.

OTHER NOTICES

Library Day – Continues to be a Monday.

Snack Money - £2.50

Spellings - Sent home on Monday for Friday's test.

Homework – Given on a Friday to be returned the following Monday.

MUSIC

The children will continue to enjoy a weekly music session led by Mrs Sloan, following the Music Express scheme.

We will also listen to some traditional Scottish dance music.

I.C.T

We will use Google maps and Purple Mash to support our learning.
