Dear Parents and Carers,

As you will be aware there are lots of questions about whether primary schools will return on Tuesday or not. I have been involved with lots of meetings during this week. Cumbria Public Health England are very concerned about the rapidly increasing transmission rates and hospital capacity in our county. They have asked the Government to include schools in Tier 4 closures. We have decided to keep the school closed until Wednesday 6th, so that staff and governors are able to consider the latest advice, check on staffing ratios and review the operational risk assessment. As always safety of our children staff and families is paramount. Thank you for your continued support and I will update you regarding school opening tomorrow.
