Some other ideas for this week

Reading and Writing

Ask a grown up to write a secret sentence and cut it up into words. Ask them to mix up the order of the words. See if you can read the words and put them into the correct order to make the sentence.

Read a book with someone in your house and decide which character was your favourite. Draw a picture of them and talk about what they were like and why they were your favourite.

Don't forget to watch the Ruth Miskin Read Write Inc sessions on Youtube. Focus on Set 2 sounds.

Have a go at the **'Using Phonics Skills for Writing'** challenges.

Maths

Have a go at the **'Subtraction'** challenges.

Pattern – Ask someone to clap a repeating pattern for you to copy. Repeat it back to them. Then, you clap a repeating pattern for them to copy. Try this with some other body percussion, including tapping on your legs, knees, shoulders and heads. You could tap- hands, knees, head, hands, knees, head etc

2D shapes - Gather a selection of sticks, pebbles, coins, buttons or pens. Can you use these to make a triangle shape? How about a square, rectangle and circle? Can you say how many sides your shape has?

Other areas

Senses – can you draw or write 5 things that

- Smell nice
- Taste sweet
- Feel soft
- Are green
- Sound nice

Light and dark

Find a torch and shine it against a wall. What shadow shapes can you make using your hands and fingers? Can you put toys in front of the torch to see their shadow shapes?

Draw a night-themed picture on a white piece of paper using brightly coloured wax crayons. Then, mix some watery black paint and paint it over the whole picture. The shapes you drew using the wax crayons should shine out of the darkness.

Outside– If we get some nice weather again this week, see if you can have a go at some of the **Outdoor Bingo** ideas.

Art – Can you draw or paint a picture of someone in your family? Perhaps you could give it to them as a present to brighten their day.
