

Wow, it is our final week of the school year and what a school year it has been, it certainly hasn't been how any of us have imagined! Grown up's, thank you for your on going support and well done for making it through this strange time. Year 1 – I am so very proud of each and every one of you, you are all super stars!

We will end the school year with summer themed activities this week, you never know, the sun may come out to play!

I hope you all have a fantastic summer, stay safe and I cannot wait to see you all again in September.

- Create a 'Year 1 Memory Page' – Have a look at the example sheet. You could print it off or draw your own boxes on a piece of paper.
- Have a go at the under the sea themed maths challenge cards.
- Create a summer word search – can your grown up find all the words?
- Imagine you are going on your dream holiday! Where would you go? To a desert island? For a party on the moon? To dinosaur land? What would you do? Draw a suitcase and label the things that you would need to pack. Write a postcard to tell your friend all about it.
- Create a sun safety poster – how do we keep safe in the sun?

Set yourself a summer reading challenge! How many books can you read before we return to school? Choose a book that you can read or share a story with your adult. Don't forget you can find e-books online at <https://www.oxfordowl.co.uk/>
