

Year 1 Home Learning Activities w.c 18th May 2020

Please find below some home learning activities that you could try this week. Don't forget that a new activity will also appear on your Purple Mash '2do' list each day. Remember, these activities are only suggestions, nobody should feel under pressure to complete them. As always, the well-being of our families comes first.

Oak National Academy Online Classroom - We are going to continue using this online classroom. Click on the schedule and follow 'week 5'. The lessons are in sequence so it is best to start with Monday's lesson (even if you don't get round it until Wednesday). <https://www.thenational.academy/online-classroom/year-1#schedule>

English

Follow the Oak National Academy lessons. If you cannot access Oak National Academy, this week we are looking at Information books.

- If you have a non fiction book at home, see if you can find the key features: content page, heading, sub heading, caption for a picture, index page.
- Write your own interesting information fact sheet - it could be about anything at all!

Spellings - Practicing reading and writing these spellings. Can you put them into a sentence? Can you find them in a book?

tooth food chew grew include huge
was the

Reading - Set yourself a reading challenge! Can you read everyday? Choose a book that you can read or share a story with your adult. Don't forget you can find e-books online at

<https://www.oxfordowl.co.uk/forhome/find-a-book/library-page/>

Foundation Subjects

- Can you draw a map of your local area. Can you find your home on google maps and draw your local area, include any schools, churches, roads, shops etc, that you can see?
- Make a homemade instrument at home! Listen to one of your favourite songs, can you play your instrument in time to the beat?

Maths - Measuring

Follow the Oak National Academy lessons. The focus is week will be on addition and subtraction.

If you cannot access the lessons:

- Write all the number facts for the number 20. E.g - $17+3=20$ so $20-3=17$
- Practice adding a one digit number to any two digit number e.g $32 + 5$. Remember to put the bug number in your head and count on.
- Take away a one digit number from a two digit number e.g. $28 - 4$. Put the biggest number in your head and count backwards.

P.E - Can you complete a minute challenge?

Choose and exercise and see how many you can do in one minute. Can you beat your score? You could: do star jumps, run/hop/skip up and down your garden/road, bounce a ball, skip with a skipping rope, do burpees.

Science

Can you find out what a plant needs to grow? Maybe you could plant a seed at home.

Life Skills

Practice folding your clothes. You could help your grown up to sort the washing!

I hope you have a great week.

Keep smiling and stay safe.

Mrs Hudson 😊
