

Year 1 Home Learning Activities w.c 27th April

Please find below some home learning activities that you could try this week. Don't forget that a new activity will also appear on your Purple Mash '2do' list each day. Remember, these activities are only suggestions, nobody should feel under pressure to complete them. As always, the well-being of our families comes first.

Oak National Academy Online Classroom - For your home learning I would recommend following The Oak Academy Online Classroom. There is a English, Maths and Foundation virtual lesson for each day. There is a video for each lesson and a teacher will talk your child through the activities, providing them with opportunities to pause the video to answer the question. Most lessons just require paper and a pencil.

Click on the schedule and follow 'week 2'. The lessons are in sequence so it is best to start with Monday's lesson (even if you don't get round it until Wednesday). <https://www.thenational.academy/online-classroom/year-1#schedule>

English:

Follow the Oak National Academy lessons. The focus book this week is 'Katie in London'. We have read this book in school and really enjoyed it.

If you cannot access the Oak Academy lessons, can you write a book review of your favourite book? What was your favourite part? Who or what was your favourite character?

Spellings - Practicing reading and writing these spellings. Can you put them into a sentence? Can you find them in a book?

high sigh lie pie glide ride to said

Reading - Set yourself a reading challenge! Can you read everyday? Choose a book that you can read or share a story with your adult. Don't forget you can find e-books online at <https://www.oxfordowl.co.uk/forhome/find-a-book/library-page/> and on Purple Mash 'Series Mash'.

Science

Can you spot on signs of Spring? Make a checklist and see how many you can spot.

Creativity

- Which London Landmark is your favourite? Can you build a model or draw a picture of it?
- Can you learn the song 'London Bridge is Falling Down? Make some homemade instruments and play along to the tune.

Maths - Measuring

Follow the Oak National Academy lessons. The focus is week is measurement.

If you cannot access the Oak Academy lesson, have a go at measuring objects around your house. You could use non standard units of measurement - your hands, socks, blocks etc.

Fluency - Can you count in 2's? I'll start you off...2, 4, 6, How high can you count? Can you count backwards?

P.E - Have a look at Supermovers on BBC. <https://www.bbc.co.uk/teach/supermovers/ks1-collection/zbr4scw>

Can you complete a different video each day? The daily lessons on iPlayer of the BBC red button also start off with a Supermover activity.

Life Skills

Can you help your grown up wash the dishes?

I hope you have a great week.

Keep smiling and stay safe.

Mrs Hudson 😊
