Dear Parents,

This morning during playtime there was an incident at the rear gate of our school. A man came down the school path to our locked gate and rattled it telling us he was 'just checking'. At this point Mrs Regan immediately activated our lockdown protocol to ensure the safety of children and staff. The whistle was blown and the children evacuated the yard and filtered into the school sensibly and quickly. The police were alerted and attended school immediately and checked the area. The man in question was found and dealt with.

Once we were given the all clear everyone resumed their normal activities.

Our lockdown protocol worked extremely well and we will continue to ensure that the safety of our children remains paramount.

Thank you

A Richardson

Mrs A Richardson
Headteacher
