Dear All,

As Christmas fast approaches I just wanted to send a letter of sincere thanks and appreciation to our amazing school community for what has been one of the craziest years.

Firstly, I would like to thank the children for the way they have adapted so amazingly to this new 'normal' way of life and the routines we have in school. Their resilience has been remarkable and they have continued to learn and grow whilst completing fantastic work!

Secondly, I would like to thank the parents, carers and families in the way they have supported the children and our school community. All of our safety measures have been respected and followed which has helped to keep our whole school community safe during this unprecedented time.

Finally, I would like to say thank you to the entire staff of St Michael's Nursery and Infant School. Staff have worked tirelessly throughout what has been the most trying and testing time ever known in all my years teaching and as a Governor! Their dedication to the children, their safety and their learning has been immeasurable and I have never been prouder to be a part of St Michael's than I am right now.

I would like to wish you all a very happy and safe Christmas and I look forward to seeing you all in 2021.

As always, if you would like to contact me please contact the school office 01900608111 or email [sheena.brown@smhwkt.cumbria.sch.uk](mailto:sheena.brown@smhwkt.cumbria.sch.uk)

Merry Christmas and a Happy New Year to you all

S Brown
