

## WORKINGTON CHILDRENS' LIBRARY OPENING EVENT – OCTOBER 8<sup>TH</sup> 2021

Our School Council were cordially invited to attend the grand opening ceremony at the new Childrens' Zone in Workington Library.

They loved the 'Book Nook' reading areas and had fun sitting in them, whilst reading some of the lovely new books.

Evie enjoyed reading with a lovely Librarian from the Whitehaven branch. Feely books were her favourite.

They were even given special foods and drinks as part of the celebration.

There was even a writing wall to draw on!

Some of the boys enjoyed working on the new plasma screen.

Councillor Alan Barry came to cut the ribbon and spoke to the children about accessing the service with their schools and families.
