

## Workington Multi-Skills Competition - September 21<sup>st</sup> 2021

Years 1 and 2 attended the Workington Multi-Skills competition at St. Joseph's School. Whilst there, they were split into two teams and participated in activities at seven different sporting stations, competing against each other. The sessions were led by 'Young Leaders' who did an amazing job of instructing and guiding the children. It was a brilliant event and the children had great sporting fun!

Team A were the winners and came home with a certificate which they have since added to our KS1 sports board.
